

MUSKOGEE REGIONAL MEDICAL CENTER

Muskogee,
Oklahoma

Population: 38,310 • Service Area: 75,700

A progressive and friendly city of 40,000, Muskogee is located in beautiful eastern Oklahoma in the heart of Green Country, a land of rolling hills, abundant lakes and luscious evergreen pine and deciduous forests.

THE HOSPITAL

Muskogee Regional Medical Center (MRMC) is a 275-bed full-service hospital. As one of the first hospitals established in Oklahoma, MRMC has grown to become one of the state's largest and most comprehensive facilities outside the Tulsa/Oklahoma City area. With a staff of 1,100 and an active medical staff of 85 representing 23 medical specialties, the hospital serves a multi-county area.

Its many services include a Cancer Treatment Center, Rehabilitation Center, Emergency Services and the Pavillion, a comprehensive mental health program. The medical center recently added 79,000 square feet to its facility, including an updated Perioperative Services area featuring a new cardiac cath lab and eight new, state-of-the-art operating suites.

Cardiac services provided at Muskogee Regional Medical Center include EKG, Cardiac Ultrasound, Stress Testing, Nuclear Scanning, Holter Monitoring for the evaluation of heart rhythms, Pacemaker Insertion and Transesophageal Endoscopy, an internal echocardiograph procedure.
